EDUCATION FOR DEVELOPMENT

Capability Statement

IALF is Indonesia's premier institution for English & Indonesian language training, language testing, teacher training and overseas education services.

ialf.edu

Vision

To be the leading provider of language training and consultancy services in Indonesia and the Asia Pacific region.

Mission

To contribute to economic, social and cultural development in Indonesia and the region, and to mutual respect and understanding between the people of Indonesia and neighbouring countries.
IALF will achieve this by providing high quality programs and services, based on the highest professional standards and top quality curricula and resources.

Testing

IELTS (Jakarta, Gading Serpong, Meruya, Bali, Malang, Batam, Dili and others)

IELTS is the leading test of English and is accepted by 10,000 education and training providers worldwide, including Australia, USA, UK, Singapore, and Canada, and is also used for immigration purposes.

IALF is accredited by IELTS Australia to conduct the IELTS test on-site and at other off-site test venues across Indonesia, and in Timor-Leste.

- IALF offers both IELTS on Computer (IOC) and IELTS on Paper (IOP).
- The IELTS on Computer test is available almost every day, and results are typically available within 2 days after the test date.
- The IELTS on Paper test is conducted weekly at our centres and on specific dates at off-site test venues, and the results are available 13 days after the test date.

PTE (Gading Serpong)

PTE Academic is the world's leading computer-based test of English for study abroad and migration. It is accepted by thousands of universities and colleges worldwide, and for immigration purposes. PTE delivers fast, accurate, objective results, typically available within 3-5 business days.

- **PTE Academic** – computer-based English language test for international study and immigration.
- **PTE Academic UKVI** – a Secure English Language Test (SELT) approved by the UK Home Office for UK visas that require a 4-skill language test.
- **PTE Core** - a general English test recognized by the Canadian government (IRCC) for permanent residency.
- **PTE Home** – for those applying for a family or settlement visa

Language Proficiency Testing

IALF has a range of in-house proficiency tests, designed to evaluate learners' English language ability for selection, screening or recruitment purposes.

General English

General English for Adults (Bali, Online)

Classes are offered at 14 levels from Beginner to Advanced, taught by a combination of Indonesian and native speaker teachers. The courses are taught in blended learning mode: 75% in-class or live teaching via Zoom and 25% online coursework.

English for Young Learners (Bali, Online)

IALF Bali has dynamic, interactive courses for young learners of English (SD and SMP) designed to ensure that they have fun while learning and communicating in English.

English for Academic Purposes

IALF is the leading provider of English for Academic Purposes (EAP) in Indonesia and has trained more than 25,000 Indonesians for overseas study over the last 35 years. Clients include: Australia Awards Scholarships, Maanaki New Zealand Scholarships, USAID, CiDA, Ministry of Religious Affairs and several other Government agencies.

Pre-departure EAP (Bali, Online)

Pre-departure EAP programs aim to develop the language, academic, social, cross-cultural, and study skills required to succeed in postgraduate or undergraduate programs abroad. Courses can be custom designed to meet the needs of funding agencies and clients.

Academic Pathway (Online, Bali, Jakarta, Gading Serpong)

The Academic Pathway program is for students who want to be ready for college or university courses delivered in English. The courses are taught in blended learning mode with 60% live teaching in-class or via Zoom and 40% online coursework.

Writing Articles for Academic Journals in English (Bali, On-site, Online)

This course targets the language and skills needed for transforming research into an article for publication in a scholarly journal. The course is presented in blended learning mode.

Specialized Training

IALF assists businesses, colleges and provincial administrations with customized training programs to meet defined language needs. IALF can deliver courses at IALF centres, online or on-site in the workplace. IALF trainers have been outposted across the Indonesian archipelago, from the Oberoi Lombok, to UIN Padang Sidempuan, Jayapura Department of Education and beyond.

Test Preparation

IELTS Preparation (Jakarta, Gading Serpong, Bali, Online)

IALF specializes in IELTS. IALF offers online and offline IELTS Preparation courses to familiarize students with all components of the test and to provide practice in language skills and test-taking strategies. Courses are taught in blended learning mode: 60% face-to-face (in class or via Zoom) and 40% online using the Canvas LMS

- **IELTS Modular Weekly:** a 5-week, 5-module course Listening, Speaking, Reading, Writing Task 1, Writing Task 2. Students can join the course every week.
- **IELTS Modular Saturday:** a 6-week course covering all modules of the IELTS test, with open registration every week.
- **IELTS Intensive:** a 2-week course with classes daily Monday - Friday covering all modules of the IELTS test.
- **IELTS Premium:** custom-designed courses to meet the needs of an individual or group.

Pearson PTE Academic (Gading Serpong, Online)

- **PTE Intensive:** a 2-week course with classes daily Monday - Friday covering all aspects of the PTE test. Taught in blended learning mode: 60% face-to-face (in class or via Zoom) and 40% online using the Canvas LMS.
- **PTE Premium:** custom-designed courses to meet the needs of an individual or group.

Other (Jakarta, Gading Serpong, Bali, Online)

Test Preparation for other tests such as TOEFL & TOEIC can be provided on request.

IALF Global

IALF Global offers a full range of overseas education services forworldwide destinations including ‘traditional’ destinations such as Australia, USA, UK and Canada as well as Asian destinations such as Malaysia, South Korea, Taiwan and China.

Global counselors work with their clients to make important decisions about destination country, study discipline, and study pathways. Counselors provide advice and support throughout the application process and can assist with visa applications, accommodation, and planning for challenges related to living abroad.

Your Essay, Our Expertise - IALF offers Premier Essay Consulting for scholarships and university applications. Its team of experts will guide candidates on how to amplify their application and elevate their essays to the next level.

Indonesian Language Training

- General Indonesian (Jakarta, Gading Serpong, Bali, Online).
- Study Bahasa Indonesia in Bali, an intensive 2-week program combining 40 hours of Indonesian language training with 20 hours of Indonesian cultural studies. Homestay accommodation with an Indonesian family can be arranged.
- Group Study Tours designed for groups of school students, in liaison with partner travel agents or teachers.
- Specialized Training courses designed and conducted for teachers, students, and expatriate professionals in a range of sectors. Syllabuses tailor-made to address the needs of the learners.
- Online Indonesian incorporating video tutorials and online learning space (Canvas LMS). Students can learn in the comfort of their home, school or office, and schedule sessions according to their needs.
- Translation and Interpreting (Bali, Online) - Indonesian to English & English to Indonesian, including transcripts, certificates, manuals, reports, etc.

Teacher Training

Trinity Certificate in TESOL (Bali)

IALF Bali is an approved centre for the Trinity College London Certificate in TESOL (Teaching English to Speakers of Other Languages), an internationally recognized professional teaching qualification accepted by employers all over the world. See www.tesolbali.com for further information.

IALF C-CELT - Certificate in Communicative English Language Teaching (Bali, Online, On-site)

The C-CELT 4-week program is an intensive course covering English language teaching methodology with a focus on practical methods, techniques, and strategies. It combines classroom input, guided observations of experienced teachers, and the opportunity to plan and deliver short English language lessons. 1-week modules are also available in Teaching IELTS, Teaching Young Learners, Teaching TOEFL and more.

Teaching Workshops (Bali, Gading Serpong, Online, On-site)

IALF conducts one-day online, offline or on-site workshops for teachers on a regular basis, with topics such as Using Stories with Young Learners, Speaking and Assessment, and English for Specific Purposes.

Project Management

IALF has an outstanding record in project management for the development sector, in areas such as project design, teacher training, resource management and curriculum design.

ELTA (English Language Training Assistance)

ELTA is an innovative program under Australia Awards, which focuses on promoting access to scholarships in under-resourced provinces in Indonesia. An additional program for People with Disability is conducted at IALF Bali.

ETELP (Timor-Leste English Language Program)

IALF worked with Universidade Nacional Timor Lorosa'e (UNTL) and the Ministry of Education to improve English language teaching in Timor-Leste schools 2011 - 2016. Funded by the Australian Government.

Kang Guru Indonesia (KGI)

A multi-media English language project, funded by the Australian government 1989 - 2016. English language learners across Indonesia improved their English language skills through weekly radio programs, magazines, teacher training workshops and online resources.

KELP (Kiribati English Language Program)

IALF was involved in English language training, teacher training, and testing services in Kiribati from 2011-2014, under the Kiribati Education Improvement Program (KELP) funded by the Australian government.

ELTIS (English Language Teaching in Islamic Schools)

This 4-year in-service teacher development program trained more than 750 English teachers in Madrasah Tsanawiyah (junior high schools) from three Indonesian provinces, in collaboration with Islamic universities and training colleges. Funded by the Australian Government.
